**ADOPT A DONKEY/PONY SCHEME**

The Sathya Sai Sanctuary Trust for Nature is situated adjacent to the ancient Neolithic site of Carrowkeel, in the Bricklieve Mountains at Castlebaldwin, Co. Sligo, two and a half miles from the N4 Dublin to Sligo road ( follow the signs from Castlebaldwin for the Carrowkeel PassageTombs)

Set on an 18 acre site in truly beautiful surroundings the Sanctuary's aim is to provide a place of refuge for elderly, unwanted, sickly, abandoned or abused donkeys and small ponies.

Once so much part of the Irish heritage these animals are now often forgotten or neglected in a world geared more for profit and production.

The Sanctuary is dedicated to Sri Sathya Sai Baba, a non-sectarian spiritual teacher from India, who gave the project his blessing in 1991.

It is funded entirely by private donation and is run entirely on a voluntary basis as a registered Irish charity, number CHY 10840.
